Lynn Mulherin is a pioneering technology executive as a small business entrepreneur with an accomplished background in higher education at a global online university and a state education regulatory body. Lynn leverages the power of technology and people to deliver and scale groundbreaking solutions that are accessible and inclusive.

Lynn's inventive mindset and her enthusiasm for impacting people through technology led her to create and launch a free, safe, and private online platform that provides a way for people to virtually celebrate graduations, careers, weddings and other milestones. [Pearls of Wisdom™](#) was awarded *Best of Weddings 2021* and *Best of Weddings 2020* by The Knot, a leading multi-platform wedding event planning resource, and was featured as a graduation tool by Mary Baldwin University for the unprecedented Class of 2020.

Among her recent speaking engagements, Lynn made a guest appearance in 2020 on SOLutions, an Education Technology podcast. Lynn created and hosted a webinar on "Leveraging Technology in a Digital Economy" for Mary Baldwin University's Inaugural Webinar Series in 2020. In 2020 and 2019, Lynn was Keynote Speaker for Herzing University's Orlando commencement.

Additionally, Lynn was invited by StartEd in 2020 to be a mentor for start-up founders in the Education Technology industry. She also authored "Inline with Online: A Crash Course in Powering Up Online Courses" in March 2020 to aid institutions in the abrupt adoption of the online modality during COVID-19, which was circulated by the Florida Association of Postsecondary Schools and Colleges to its member schools.

Lynn holds a Master of Arts in Organizational Management from University of Phoenix. She completed a Bachelor of Arts in English from Fairleigh Dickinson University's Wroxtton College in England.

A native of Virginia, Lynn resides in Florida and enjoys spending time with loved ones, traveling for pleasure, and participating in barre fitness and golf.
