

*Celebrating 46 years serving Central Florida
Embracing and Empowering Women to Serve Central Florida*

Dear Community Partner,

Women's Executive Council of Orlando (WEC) invites you to partner and support our legacy and mission of Embracing and Empowering Women to Serve Central Florida. Our forty-sixth annual Women's Achievement Awards will be held on Monday, October 1, 2018 at the Orlando Citrus Club. Join us for an inspirational evening as we recognize community leaders and award scholarships to women attending local colleges and universities. Scholarships are made possible through the generosity of our partners, sponsors and 1972 Society members. There will be a silent auction during this signature fundraising event to support our ongoing efforts to award these scholarships.

Throughout the years, WEC has served our community through the dedication of executive women by raising philanthropic funds to achieve our mission. The 501(c)(3) Women's Executive Council's Scholarship & Endowment Fund, Inc., awards scholarships to women who want a better life for themselves, their families and our community. Our scholarships have been the turning point in the many lives that we have embraced, and encouraged for their personal growth, self-improvement and professional development. In the past years we had nearly two hundred applications for scholarships and expect at least that many this year. Our goal is to award at least forty-five scholarships! We can only reach that lofty goal with your help.

It is our sincere hope that you join with WEC in changing lives & consider donating an item valued at \$100 or greater for silent auction for the Women's Achievement Awards.

Please complete the enclosed request form and return by Friday, September 7, 2018, or contact us at WAA@WECOrlando.com with any questions or concerns. Thank you!

Sincerely,

Lauren Rease, CNP
