

*Celebrating 47 years serving Central Florida
Embracing and Empowering Women to Serve
Central Florida*

Dear Community Partner,

Women's Executive Council of Orlando (WEC) invites you to participate and support the **2019 Women's Achievement Awards, which will be held on Monday, October 21, 2019 at the Orlando Citrus Club.** Last year, and for the last forty-seven years, we have hosted the Women's Achievement Awards to recognize community leaders and award scholarships to women attending local colleges and universities. This year, our goal is to provide forty-five (45) scholarships for women, which are made possible through the generosity of our partners and sponsors.

One of the most eagerly anticipated features of the Women's Achievement Awards ceremony is our silent auction. We are asking for you to donate an item to add to the excitement and success of our auction. It is our sincere hope that you join WEC in changing the lives of our local community and consider donating an item valued at \$100 or more. Donated items are tax deductible for their retail value and our **Tax ID is 85-8013357105C-6.**

The benefits you will receive go far beyond just a charitable donation. Along with your donated items, please be sure to provide brochures, business cards, and other collateral materials, so that we can further recognize and thank your business at our ceremony.

Throughout the years, WEC has served our community through the dedication of executive women by raising philanthropic funds to achieve our mission. WEC's sole mission is to award scholarships to women who want a better life for themselves, their families and our community. Our scholarships have been the turning point in so many lives, and truly have made the difference for women achieving their dreams of a college education and more.

Thank you for your support and consideration of this request. Together we are changing lives...one scholarship at a time.

With Many Thanks,

Lauren Roderick Brusca
